mRaktKosh Android App Installation Guide

- 1. Download the APK file to a folder on your computer or directly to your desktop.
 - a. mRaktKosh Nearest Blood Bank:m-RaktKosh.apk
 - b. mRaktKosh Camp Schedule:m-RaktKosh_Camp_Schedule.apk
 - c. mRaktKosh Stock Availability:m-RaktKosh_Stock_Availability.apk
- Enable your Android by going to Menu > Settings > Security (For Android 2.X, go to Applications)
 check "Unknown Sources" to allow your phone to install apps from sources other than the Google Play Store.

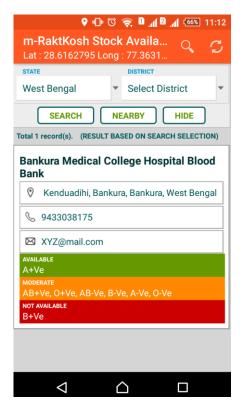

Note: Make sure you have a File Explorer or File Manager so that you can easily find the app you transferred from your computer to your Android.

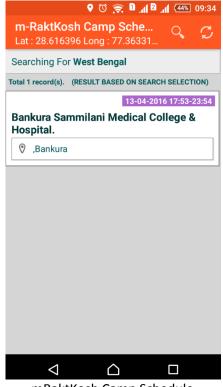

- 3. Connect Android to your computer. When asked on your phone whether to charge your phone or connect it as a "media device", choose the latter. Then simply find your phone on your computer and drag, then drop, the APK file you just downloaded to your Android.
- 4. Open File Explorer or File Manager to find the APK file. Click on it and then click "install".
